In re Application of
Henry HAUGLAND et al.
Application No. 09/513,845
Filed: February 25, 2000
Attorney Docket No. 065000/0010

DECISION ON PETITION

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed May 31, 2011, to revive the above-identified application.

The petition is **GRANTED**.

This application became abandoned as a result of petitioner's failure to take appropriate action in a timely manner after the decision of March 18, 2010 by the Board of Patent Appeals and Interferences. Therefore, the proceedings as to the rejected claims were terminated. *See* 37 CFR 1.197(b). As no claim was allowed, the application became abandoned on May 19, 2010.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of a continuing application under 37 CFR 1.53(b); (2) the petition fee of \$810.00; and (3) a proper statement of unintentional delay.

This application is being revived solely for purposes of continuity. As continuity has been established by this decision, the application is again abandoned in favor of continuing application No. 13/118,902.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-4231.
